As directed by the Court on September 5, 2014 (Doc. # 2070), the United States of America (“United States”) provides notice of reply to Mr. Robert H. Lynn’s August 28, 2014 letter of inquiry (Doc. # 2069).

In his letter, Mr. Lynn requested information from the Court on why he is included as a defendant in this case. On the same day that the United States was made aware of Mr. Lynn's inquiry, counsel for the United States sent a reply letter to Mr. Lynn. *See* Attachment A. The letter directed to Mr. Lynn describes why he and his relatives were brought into this sub-case and the actions taken subsequent to his earlier inquiry to the Court (January 5, 2013) concerning his involvement in this case. In the *Eighteenth Report of the United States of America Concerning Status of Service on Certain Persons and Entities* (Doc. # 1953) ("Eighteenth Service Report"), the United States requested that Mr. Lynn and his relatives be dismissed from this action. *See id* ¶¶ 215, 234 and 255. On July 11, 2014 the United States submitted a proposed Order relating to requests made in the Eighteenth Service Report (Doc. #2040). To date no action has been taken regarding the Eighteenth Service Report or the proposed Order.

Dated: September 8, 2014

Respectfully submitted,
